Just received your package for Stacey and Dalton. He'll be so excited that mail actually came with his name on it. He is going to love the Timberland boots. He obsesses over hunting they'll be so perfect. You really must know just how great you guys are. You are the best thing to happen to this family in a long time. I still can't believe there are people this great out there, in such a time where some people are taking advantage of the situation and misusing their rights. A great big thank you to you and your families and your teams that help you with all of this. We are so THANKFUL. Now we have something to talk about over Thanksgiving Dinner I know what I'll be thankful for. People like you and Your organization.

A HUGE THANKS FROM EVERY ONE HERE
!!THANK
YOU!!

I just had to share the email below with you. Carol's son is Duke, age 9, and she has a 17 year old daughter, Hannah. They are from New Orleans, but relocated to Houston, TX. Mr. Lou mentioned below is 83 years old. Carol has become now his caregiver, as all of Mr. Lou's family drowned in the flood. He was in an assisted living home, so he survived. Below is her emails.

Email 1: " hi! hi! hi!!!!!! I am currently back in Louisiana (with very limited internet access). I'm having to remove items and decontaminate them from my home and the intensive clean-up has been a nightmare. I plan to return to TX soon and will update you then. I've been thinking of you and all the good work that you do!!!!!! Did I mention that my son LOVES the sponsor tees that you sent. He wants to wear the black one everyday. Mr. Lou is also feeling quite warm thanks to you!!!!!! Ha! He actually spent a brief time in the hospital for his heart but he says he is all better now and ready to date! HA! HA!

Special size shoes were purchased for Duke and it turned out to be the best pairs of shoes he has ever had, according to Carol.

Email 2: " I'm not sure who picked these out...BUT THEY ARE PERFECT! AND A GREAT FIT! WONDERFUL! AND THEY ARE GORGEOUS!!!!!!!!!! OH MY GOODNESS! thank you thank you thank you thank you thank you thank you!!!!!! "

Email 3: " Oh this is exciting! Thanks very much. Where would I be without you? *I'm still admiring the shoes!* Thanks. "

Email 4: " *DUKE LOVED THE SHOES!!!!!!* He was so funny about them....I think they are the nicest he has ever owned, so he kept saying, "I am walking good in these!!!!" HA! OH he was so excited. AND HE IS GROWING SO FAST! Oh my goodness...I can't believe it! He will be in and out of these shoes too fast. You are wonderful to send more for a growing boy.
